Dear Commissioner,

As you know, Dr. Martin Luther King Jr. Day Parade was canceled for 2022. C4L Productions Charities felt this event shouldn't be canceled for a second consecutive year. Our group spoke with the Dr. King Birthday Committee members and asked for permission to host the MLK Day Parade and activities at Hart Park. The parade and activities will be smaller than previous years due to the amount of time remaining. We have spoken with and submitted all the necessary documents such as, the Fire Department, Sheriff Department, Vero Beach Police, Traffic Division for parade route and park activities. We are writing to you, our Commissioners, to ask if you would participate in this year's event and activities.

We would love for you to play an active role in the 2022 MLK Parade and program. Our Grand Marshals for the MLK DAY, Emmett Lane Jr. a Firefighter and Leroy Smith a Sheriff, have served the Indian River Community for more than 50 years. We are asking the Fire Chief, Sheriff Flowers and you our Commissioners to be on hand to honor these local heroes. Your participation would help support our mission of Building A Better Community.

C4L Productions Charities is a company of local business professionals. We believe our group will play a major role in bringing people together to Building A Better Community. We look forward to hopefully being on your next agenda to formally introduce ourselves and C4L Productions Charities.

Please see the attached paperwork outlining the MLK DAY program.
Thanks again for your help and consideration of our request.

Sincerely,

C4L Productions Charities
