

# Indian River County Library System

## Annual Plan of Service FY 2021/2022

The Annual Plan of Service is an outline of the Indian River County Library System's focus of activities during the year. The plan supports the goals, objectives, and action plan from the Library System's Long-Range Plan, and is supported by the Library System's budget as described.

The major emphasis during **Fiscal Year 2022 (October 1, 2021 to September 30, 2022)** will be:

- Continue providing quality library services to all county residents.
- Continue providing comprehensive collections, both print and digital.
- Continue providing public computers and internet access.
- Continue providing technology training for the public.
- Continue providing cultural, educational, informational, and recreational programming for all ages.
- Continue service to the south county area through the use of a state-of-the-art vending library located at the Intergenerational Center.
- Continue Archive Center digitization projects to preserve local and Florida history.
- Continue offering innovative programming that brings in historically difficult to reach age groups.
- Continue expansion of the North County Library to provide a multi-purpose children's room.
- Promote and offer access to the new Makerspace at the North County Library.
- Provide materials and information services that are responsive to the diverse needs of the public and legal community and ensure accessibility for all.
- Begin offering access to the WestLaw legal database from the Legal Study Center.
- Begin offering access to upgraded meeting room technology at the Main Library and North County Library.
