

MEMORANDUM

TO: Jason E. Brown, County Administrator

FROM: Richard B. Szyrka, P.E., Public Works Director

SUBJECT: Florida Department of Transportation (FDOT) Locally Funded Agreement (LFA) for Oslo Road Widening Project FM. No. 431521-1 (IRC-1411)

DATE: October 24, 2022

DESCRIPTION AND CONDITIONS

The Florida Department of Transportation (FDOT) is in the final stages of design for the Oslo Road Widening project and is preparing to move the project forward for construction in 2023.

The FDOT will be constructing the Oslo Road widening project which includes two travel lanes in each direction, 7-foot bike lanes, sidewalks, signalization at 66th Avenue, drainage improvements, stormwater retention ponds, roadway lighting at intersections, pedestrian crossings, and other related improvements. Once the project has been constructed by FDOT and the final acceptance process has been completed, the County will be responsible for the maintenance of all improvements associated with the project.

Indian River County has requested the four (4) mast arms for this project be painted Federal Highway Green and to accommodate that request, the FDOT requires that the local agency governing board approve a Locally Funded Agreement (LFA) to provide for a lump sum payment of \$90,000 and a resolution accepting Exhibit B Highway Maintenance Memorandum of Agreement (HMMA) outlining conditions for the acceptance and maintenance of the mast arms after construction is complete.

FUNDING

Although not currently budgeted, funding will be allocated through a budget amendment from Secondary Roads/Cash Forward – Oct 1st to Secondary Roads/Road & Bridge/Maint-Oslo Widening, Account No. 10921441-034688 in the amount of \$90,000.

Once the project is complete and accepted by Indian River County, the maintenance expenses for maintenance of Oslo Road will be included in the Public Works Road and Bridge budget.

RECOMMENDATIONS

Staff recommends the Board of County Commissioners approve the Locally Funded Agreement (LFA) and the Authorizing Resolution for acceptance of the LFA and the MMOA and authorize the Chairman to execute the same.
