RE: Addition of Satellite site to core contract– Florida Department of Health in Indian River County

Dear Mr. Brown:

Please find attached the Florida Department of Health in Indian River's (FDOH-IR) amendment to the core contract, Attachment II, Part II and Attachment IV, adding Dasie Hope Center to the facilities used by FDOH-IR.

The health department continues to reach all parts of the county for environmental health, communicable disease control, community health education, outreach, comprehensive school health programs in all county schools, and WIC and nutrition program.

We greatly appreciate the county's ongoing support of our mission to promote, protect, and improve the health and safety of our residents. We excited for this expansion to bring public health services to the residents of Wabasso. The health department has been working in the community of Wabasso for decades through our PACE-EH projects.

Please feel free to call me at 794-7450 if you need further information or have any questions. Thank you for considering our request.

Sincerely,

Miranda C. Swanson, M.P.H.
