**INDIAN RIVER COUNTY  
BOARD OF COUNTY COMMISSIONERS**

**INTER-OFFICE MEMORANDUM**

TO: Members of the Board of County Commissioners

DATE: July 30, 2021

SUBJECT: BCC Presentation of St. John's River Water Management District Central Springs/East Coast Regional Water Supply Plan

FROM: Joseph E. Flescher, Chairman  
Commissioner, District 2

**Discussion Item:**

On July 28, 2021, the St. John's River Water Management District (SJRWMD) conducted a public workshop on the Central Springs/East Coast Regional Water Supply Plan. The presentation was informative, with robust public interaction on the data SJRWMD brought forward.

SJRWMD will conclude their research within a few months and subsequently be ready to provide their plan of action; my opinion is that it would be appropriate for the SJRWMD to make a presentation at an upcoming BCC meeting, once their plan is completed. I'd like to discuss, and hopefully garner support for, making such an invitation to the SJRWMD.
