PURCHASING DIVISION

DATE: March 7, 2022

TO: BOARD OF COUNTY COMMISSIONERS

THROUGH: Jason E. Brown, County Administrator
Kristin Daniels, Director, Office of Management and Budget

FROM: Jennifer Hyde, Purchasing Manager

SUBJECT: First Extension and Amendment to Agreement for Disaster Debris
Monitoring Services

BACKGROUND:

On May 19, 2020, the Board awarded RFP 2019062 for Disaster Debris Monitoring Services, as may be needed to track debris removal after catastrophic events, such as tropical storms, hurricanes or tornadoes, to DebrisTech, LLC. The term of the award was two years, with two additional two-year renewals available. The contractor has agreed to the first extension and amendment, which will extend the term of the agreement through May 18, 2024.

Changes made effective to Florida Statute and the Code of Federal Regulations during the initial term of the agreement require the incorporation of additional clauses to the agreements.

FUNDING:

Expenses incurred for work under these agreements are anticipated to be funded through FEMA's reimbursement of CAT A debris expenses.

RECOMMENDATION:

Staff recommends the Board approve the Extension and Amendment and authorize the Chairman to sign it after the County Attorney has approved it as to form and legal sufficiency.
