Good morning Dylan,

I hope you have had a good week. We have been made aware that Indian River County has requested a letter of support to set up an LPPF in Indian River County. Encompass Health cannot sign onto a letter of support as our stance on provider taxes overall is to oppose them because Encompass Health nationwide takes a loss on provider taxes. That being said, we do not oppose the LPPF in Indian River County based on our understanding of how it will operate, and we do not want to present any obstacle to implementation. Thank you for your understanding, and have a great Friday.

Best regards,

Andrew Wilburn
