**Subject:** Approval of an Agreement for Use of Facilities with Indian River County and the School Board of Indian River County

---

**BACKGROUND**

In order to provide our residents and students with ample recreational and scholastic sports opportunities, Indian River County and the School Board of Indian River County desire to enter into an agreement for the mutual use of facilities. The Agreement for the Use of Facilities will codify past practices and establish guidelines for mutually beneficial field and facility use for programs delivered by the Indian River County Parks and Recreation Department and the School Board of Indian River County.

The term for this agreement is three years and may be extended through a mutual agreement by both parties. Through this agreement the School Board of Indian River County will have coordinated access to the North County Aquatic Center for swim team practice and swimming meets and the use of the Fran B. Adams Park baseball/softball fields for practices and games. The Indian River County Park and Recreation Department will have coordinated access to the Sebastian High School, Sebastian River Middle School and Oslo Middle School for recreational programs.

There are no fees to either party (except a \$20 charge per hour for lighted baseball fields) for use of the facilities listed above and in the attached agreement and both parties assume responsibility for damages caused above normal wear and tear. Exempted from this agreement is the Indian River County Fairgrounds and Intergenerational Center.

**RECOMMENDATION:**

Staff respectfully recommends the Indian River County Board of County Commissioners accept the Agreement for Use of Facilities between the School Board of Indian River County and Indian River County and execute the same.
