ITEM 14.A.1

INDIAN RIVER COUNTY
BOARD OF COUNTY COMMISSIONERS

INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: February 02, 2022

SUBJECT: Resolution in support of Florida Forever

FROM: Peter D. O'Bryan, Chairman
Commissioner, District 4

Discussion Item:

In previous years the Board has passed Resolutions in support of the Legislature fully funding the Florida Forever program. I am asking the Board to consider passing a Resolution this year to support Florida Forever.

With the recent policy decision by the Board to move forward with a referendum on issuing a bond for environmentally sensitive lands, promoting the full funding of Florida Forever will help ensure the availability of matching funds, allowing the county to leverage the bond proceeds if the referendum is approved.

Thank You.
