

Designated Commission Representatives and Staff Liaison

- Each County Commission that is a member of the Small County Coalition is authorized to appoint two designated Commissioners to serve as the Board of County Commission representatives on the Small County Coalition Board of Directors.
- Each member is also requested to identify a county staff person to serve as the county liaison with the Coalition office.

Please review the names listed for you county - these are the names currently on record and recognized as representatives on the Coalition's Board of Directors from each county. If there are any changes please send them to the Small County Coalition Office by Email. The two commissioners designated will be recognized by the Small County Coalition as Board of Directors members.

- Commissions can submit changes at any time.
- If the designated commissioners are not able to attend meetings other Commissioners in attendance will be recognized.
- All commission members can attend any meeting that is held by the Small County Coalition.
