

INDIAN RIVER COUNTY, FLORIDA
MEMORANDUM

TO: Honorable Board of County Commissioners
THROUGH: Jason Brown, County Administrator
THROUGH: David Johnson Director
Department of Emergency Services
FROM: Karen Rackard, Mapping Tech.
Department of Emergency Services
DATE: September 12, 2022
SUBJECT: Approval of Renewal of the Public Safety Communications System FX Software Services Agreement.

It is respectfully requested that the information contained herein be given formal consideration by the Board of County Commissioners at the next scheduled meeting.

DESCRIPTION AND CONDITIONS:

On August 16, 2016, the Board of County Commissioners approved the public safety radio system P25 Migration Project. During the migration period, the county will be operating both the EDACS and P25 radio systems concurrently to maintain a public safety level of service, stable operations, and functionality until completion of the project. An integral part of the EDACS and P25 system is the FX Software.

On September 11, 2018, the Board of County Commissioners approved Communications International as a sole source for the public safety radio system FX Software Services. The FX Software provides enhancements and corrections to public safety EDACS and P25 backbone and radio components. It also assures the County that any new generation radios, hand-held or mobile units, would seamlessly integrate into our communication network. The contract provided for renewal or extension of the contract in one (1) year increments for a total of five (5) years upon mutual consent of the parties. This base contract for services will expire on September 30, 2022, and the proposed FY 2022/2023 contract renewal represents extension number four (4) of the original contract.

The proposed FY 2022/2023 FX Software agreement will cover all necessary upgrades for the P25 system.

FUNDING:

There is no change in cost between last fiscal year and next fiscal year. The FX Software is budgeted and available in the amount of \$126,320.40 in the General Fund / Communications / Emergency Services / Computer Software account, number 00110719-035120.

Account Name	Account Number	Amount
General Fund/Communications/Emergency Services/Computer Software	00110719-035120	\$126,320.40

RECOMMENDATION:

Staff recommends the Board authorize the Chairman to execute the Public Safety Communications System FX Software Services Agreement with Communications International Inc.
