

Indian River County, Florida
Solid Waste Disposal District
Board Memorandum

Date: May 24, 2021

To: Jason E. Brown, County Administrator

From: Vincent Burke, PE, Director of Utility Services

Thru: Himanshu H. Mehta, PE, Managing Director, Solid Waste Disposal District (SWDD)

Prepared By: Susan Flak, Recycling Education and Marketing Coordinator, SWDD

Subject: Public Announcement for Hurricane Preparedness – Are You Ready?

Description:

June 1, 2021, is the official beginning of hurricane season; therefore, annual preparation for the season is encouraged. The Solid Waste Disposal District (SWDD) and Indian River County Emergency Services (IRCES) want our residents to be prepared. Here are a few ways to get ready before there is an imminent threat:

- Trim your trees now and clear away debris from your home, work or school;
- Remove and store outdoor items that may become dangerous in high winds;
- Build a disaster supply kit, make a plan, and stay informed.

We would like to remind all visitors and residents of Indian River County that hurricane preparedness help is available online at www.irces.com or www.ready.gov. A hardcopy of the Disaster Preparedness Guide is available in the Administration Building lobby, or it can be downloaded here:

<http://irces.com/EM/documents/Disaster-Preparedness.pdf>

Stay informed by subscribing to Indian River County emergency alerts at www.alertindianriver.com to receive pertinent notifications via text message, email or phone. For more information, contact IRCES at 772-567-2154.
