If the application was filed after the deadline the simple answer is the application is not eligible.

Jason,

Attached is another small business grant application from the Chamber, and Helene indicates below they have one more to send over. I'm not sure why we are just finding out about these now. Just wanted to get your thoughts before we proceed, since these applicants were not included in the number we provided to the Board.

Good Morning

I've attached a completed Small Biz Recovery Grant application for Deborah Cooney, listed as an "entertainer". She initially submitted her

application on 11/17/21, but it has taken all this time for her to access her activated SAM.gov number. The last several pages of Deborah's application reflect the musical performances in 2019 and 2020 for which she was paid, to give examples of her business activities. Please let me know if you have any questions regarding this application.

We have one more to send over, that was originally submitted to us in Oct 2021. The owner is dropping off her remaining docs today or tomorrow, including her SAM.gov info. I will send this along as soon as it is complete.

Thanks!
