

Indian River County, Florida
Department of Utility Services
Board Memorandum

Date: May 11, 2021
To: Jason E. Brown, County Administrator
From: Vincent Burke, PE, Director of Utility Services
Prepared By: John M. Boyer, PE, Utilities Engineer
Subject: Work Order No. 17 for Kimley-Horn and Associates, Inc. – Amendment 1, 58th Avenue Relocations – 53rd Street to 57th Street

Background:

In conjunction with roadway improvements to 58th Avenue required to be constructed by Waterway Village, Indian River County Public Works is proposing to replace the bridge over the North Relief Canal. The project will impact existing Indian River County Department of Utility Services (IRCDUS) water and sewer utilities. On July 16, 2019, the Board of County Commissioners (BCC) approved Work Order (WO) 17 for Kimley-Horn and Associates, Inc., (KHA) to prepare a utility relocation design.

In the course of the project, IRCDUS staff have realized a need to replace a segment of existing 8”-diameter force main in the work area along 58th Avenue under 49th Street. Staff would like to amend KHA’s approved WO 17 to include the design of the replacement force main.

Analysis:

On May 18, 2021, the BCC approved the renewal and Amendment No. 1 to the Continuing Contract Agreement for Professional Services with KHA. In accordance with that agreement, KHA will provide professional services to prepare engineering design plans and specifications.

Funding:

Funds for the project will be derived from the 58th Avenue Relocations account in the Utilities operating fund. Utilities operating funds are derived from water and sewer sales.

Description	Account Number	Amount
58 th Ave Relocations/53 rd -57 th	47126836-044699-19564	\$ 33,590.00

Recommendation:

Staff recommends the Board of County Commissioners approve Amendment 1 to Work Order No. 17 with Kimley-Horn and Associates, Inc. for a lump sum amount of \$33,590.00.
