Dear Eric:

This letter regards payment to Cardno, Inc. (Cardno) for work associated with planting additional dune vegetation along the Sector 5 Beach and Dune Project area. Release of Retainage was submitted by Cardno on August 4, 2022, and an assessment of the quantities and amounts requested for payment is provided herein. All work has been completed and accepted to date, and thus release of retainage is recommended. The total recommended payment for the Release of Retainage is **\$7,412.50**. This is the final payment application to be processed for the Sector 5 Dune Vegetation Project. Cardno's Payment Application is attached.

Please feel free to contact me for additional information or clarification.

Sincerely,
