

**Indian River County  
Interoffice Memorandum  
Office of Management and Budget**

---

**To:** Members of the Board of County Commissioners

**Date:** August 4, 2022

**From:** Kristin Daniels  
Director, Office of Management & Budget

**Subject:** Outside Agency Funding Policy Revisions – Children’s Services Agencies

---

**Background**

The Board of County Commissioners established an Outside Agency Funding Policy on February 19, 2002. Revisions to the policy were subsequently made on November 3, 2009, May 16, 2017, and again on March 15, 2022. Periodically, the policy needs to be reviewed and updated in order to memorialize any necessary changes.

On May 17, 2022, the Board of County Commissioners approved various changes to the Children’s Services Advisory Committee Ordinance including issues raised in the proposed Children’s Trust special dependent district ordinance, an increase in the millage cap from 0.1250 mills to 0.2500 mills, as well as changes in membership and duties of the Children’s Services Advisory Committee, and the various sub-committees. Because the Children’s Services Agencies section of the Outside Agency Funding Policy references the date the original ordinance was approved, the original ordinance number, and the original millage cap, revisions to the Policy must be made to reflect these changes.

**Recommendation**

Staff recommends that the Board of County Commissioners approve the aforementioned revisions to the Outside Agency Funding Policy.
