---

On September 13, 2011, the Board of County Commissioners adopted Resolution 2011-072, which assigned to the County Attorney's Office the task of monitoring certain committee member terms, and overseeing the process of annual appointments and reappointments. Pursuant to this process, on November 16, 2021, the Board reappointed a significant number of incumbent committee members to another term. This agenda item is to consider appointment of new applicant(s) to committee vacancies. Committee vacancies have been advertised on the County's website, on Channel 27. There are currently no qualified applicants to be considered for appointment to the various committees' vacancies. Some of the applications have been on file for a while and the County Attorney's office has confirmed with the applicants, that they are still interested in serving.

The following are the names of the qualified applicants, whose résumés and applications are available for review in the Commissioners' Front Office area:

**Agriculture Advisory Committee (AAC)** – There are two vacancies for the “Agritourism Representative”

- No Qualified Applicants have applied

**Code Enforcement Board (CEB)** – “Architect” and “Engineer”

- No Qualified Applicants have applied

**Construction Board of Adjustment and Appeals (CBAA)** – “Mechanical Contractor” and “Architect”

**Public Safety Coordinating Council (PSCC)** – “Representatives from county and state jobs programs and other community groups who work with offenders and victims, appointed by the chairperson of the board of county commissioners to 4-year terms”

Also, attached is a list of the current committee vacancies (note: several vacancies are designated positions – that is, the committee member must be an architect, engineer, etc. Applicants for designated positions who do not meet the required criteria have not been included on the attached list).
