Managing Director Himanshu Mehta spoke on the request by Waste Management (WM) to modify the franchise agreement to remove Article 3.1(c) for the exclusive collection of Construction and Demolition (C & D) debris containers fifteen cubic yards and greater in size within unincorporated Indian River County. He explained the difference between exclusive and non-exclusive treatment of C&D debris was how the franchise fee was handled by the landfill.

Director Mehta stated staff would return with an amendment to the Franchise Agreement and a modification of the County Ordinance to effectuate the change

through a duly noticed public hearing process for adoption by the Board.

A motion was made by Vice Chairman Earman, seconded by Commissioner Adams, to approve staff's recommendation. The motion carried by the following vote:

Aye: 5 - Chairman O'Bryan, Vice Chairman Earman, Commissioner Adams, Commissioner Flescher, and Commissioner Moss

15.B.3. 22-0493

Work Order No. 16 to Geosyntec for One Year of Groundwater Monitoring/Reporting and Related Consulting Services at the Former South Gifford Road Landfill

Recommended Action: Solid Waste Disposal District staff recommends that its Board approves and authorizes the Chairman to sign Work Order No. 16 authorizing Geosyntec to provide groundwater monitoring/reporting and related consulting services for the Former Gifford Road landfill in compliance with Florida Department of Environmental Protection requirements for a period of one year, not to exceed fee of \$80,360.14
