RE: David Krebs' Request for Release of Easements at 11655 Old Dixie Highway
(Sebastian Grove Estates Subdivision)

It is requested that the Board of County Commissioners formally consider the following information at its regular meeting of October 10, 2017.

DESCRIPTION AND CONDITIONS

The County has been petitioned by David Krebs, owner of four combined lots at 11655 Old Dixie Highway, for release of six common three foot wide side lot line drainage and utility easements interior to the combined lots. The purpose of the easements release request is to allow for construction of warehouses on the combined lots (see attached maps).

ANALYSIS

The request has been reviewed by AT&T; Florida Power & Light Corporation; Comcast Cable Services; the Indian River County Utilities Department; the County Road & Bridge and Engineering Divisions; and the County Surveyor. None of the utility providers or reviewing agencies expressed an objection to the requested release of easements. Therefore, it is staff's position that the requested release of the common side lot line easements would have no adverse impact to drainage or to utilities being supplied to the subject property or to other properties.

RECOMMENDATION

Staff recommends that the Board, through adoption of the attached resolution, approve release of the common side lot line drainage and utility easements described in the attached resolution.
