Employment Summary

- 2002-Present Technology Assistance, Inc., Vero Beach, FL Vice President and General Manager
- Accomplishments and responsibilities: Manage computer consulting firm specializing in system design and improvement for individuals, professionals, and small businesses.
- 1991-2002 Indian River County Property Appraiser, Vero Beach, FL Director - Long Range Planning
- Accomplishments and responsibilities: Virtually single-handedly brought an office with a staff of 45 from a very few stand-alone PCs to a smooth-running, tightly integrated 21st century networked environment at extremely low cost and without the use of outside consultants or labor. Liaised and networked with other county agencies and initiated first taxpayer services via the internet.
- 1987-1991 Vero Technologies, Vero Beach, FL – Owner of local computer sales/service firm
- 1982-1986 MG International, Beijing, China / Washington D.C.
Partner, then Owner of high tech trading firm
- 1967-1982 General Motors – several divisions – primarily Euclid/Terex (construction/mining equipment)
various management and technical positions beginning as a high school co-op student and ending as Director - China Trade, GMC Truck & Coach

Education Summary

- Post-Graduate: University of Akron - Akron, Ohio
Completed 75% of MBA - Marketing/Finance program before moving to China required leave of absence. 4.0 cumulative grade average.
- Under-Graduate: General Motors Institute of Engineering & Management (now Kettering Univ.) - Flint, Michigan
Bachelor of Industrial Administration, Majors: Engineering and Management
Five year, co-op education allowed detailed exposure to virtually every aspect of business.
- Honors: Dean's List. Scored 98th percentile Law School and General Management Aptitude Tests
