**Attachments:** doc02459920220831155818.pdf

Peter,

Attached is a Letter for your review.

If possible, IRC is requesting a six-month extension of the unexpended funds in our current Agreement with FPL. The current Agreement expires on September 30, 2022.

Ryan

To: Polfleit, Peter <Peter.Polfleit@fpl.com>  
Cc: Mason Kozac <mkozac@ircgov.com>  
Subject: Unexpended Funds

It appears that IRC will have approximately \$50,000 of unexpended funds in the existing Agreement with FPL (expires September 30, 2022).

IRC intends to submit a letter to discuss purchasing equipment (also EOC enhancements), which will directly benefit our REP program, and the community's preparedness for a radiological emergency (see the last paragraph on page 7).

Would a letter be sufficient or is there another format that has been used in the past, which could be provided as an example?

Ryan

---

Every two years, Indian River County (IRC) and FPL enters a financial Agreement, which funds IRC's Radiological Emergency Preparedness (REP) Program. The current Agreement expires on September 30, 2022, and states in part:

*"At the end of the term of this Agreement, the County shall either refund all unexpended funds to Company or reflect all remaining interest earned as funds carried forward and apply such funds to any additional term of this Agreement as appropriate. The County and Company may also discuss alternatives for disposition of excess funds, provided, however, that such alternatives shall be effective only upon execution of an agreement in writing by the County and the Company."*

The IRC Department of Emergency Services (IRCDES) has determined that there will be approximately \$50,000 of unexpended funds when the current Agreement expires. IRCDES has also determined that if the unexpended funds are carried over to the next Agreement period, then the following purchases/acquisitions would greatly benefit our Radiological Emergency Preparedness (REP) efforts. The following item(s) costs are approximated:

1. One new enclosed trailer for REP equipment transport: \$10,000
2. Three P-25 radios for communication during a radiological event: \$8,000
3. Enhanced EOC lighting (EOC activations for radiological events/exercises) \$10,000
4. EOC digital time zone clock (provides multiple time zones (including Zulu) \$3,000

Indian River County  
Department of Emergency Services

---

4225 43<sup>rd</sup> Avenue, Vero Beach, Florida 32967

5. EOC Lobby Security Upgrade (used during REP events/exercises) \$2,000
6. REP Personal Protective Equipment for EM Team \$2,500
7. Electronic Flare Kits (utilized for traffic control at the decon reception center) \$5,000
8. Mobile Traffic Control Signs (utilized for REP events/exercises) \$1,000
9. Traffic Cones (utilized for REP events/exercises) \$1,500
10. Mapping/Org Software (utilized for REP preparedness/events/exercises) \$1,000

IRCDES would like to execute a written agreement with FPL, which would allow the unexpended funds to carry over into the new contract for a period of six months (from September 30, 2022 until March 30, 2023). FPL's consideration of this matter is appreciated. Please contact any of the following persons if there are questions or concerns:

Mr. Ryan Lloyd, Emergency Management Coordinator  
Indian River County  
4225 43<sup>rd</sup> Avenue  
Vero Beach, FL 32967

Dear Mr. Lloyd:

I am in receipt of your August 31<sup>st</sup> letter requesting the carryover of unexpended funds when the current agreement with FPL expires. I appreciate the detailed listing of the current needs of the program describing where the unexpended funds would be spent. Florida Power & Light agree with the carryover of funds for a period of six months from September 30, 2022 until March 30, 2023.

I appreciate your continued support of the Indian River County Radiological Emergency Preparedness Program and the St Lucie Nuclear Power Plant.

Please feel free to contact me at (772) 467-4478 if you have any questions.

Sincerely,

A handwritten signature in blue ink, appearing to be 'P. Polfleit', written in a cursive style.

Peter Polfleit  
Emergency Preparedness Project Manager  
St Lucie Nuclear Site

**Subject:** FW: Unexpended funds - FPL

Dylan,

We received the attached/signed agreement letter from FPL this past weekend regarding unexpended funds. I have also attached the signed request letter, which was originally sent to FPL.

Are these two letters combined, sufficient for an agenda item to be drafted and submitted to the Board of County Commissioners?

Ryan
