Commissioner Moss,

Please see information below regarding Gifford Water Tower painting. This is scheduled for repainting in 2022. Cost estimate information provided as well.

Jason,

In 2018 (img 4099 and 4100), the elevated water tank in the Gifford Community had "Indian River County" painted on it.

The County logo was painted (Gifford 1 & 2 pics) on the tank in early 2019, similar to the one found on the Kings Highway (58th ave) tank.

We are not scheduled for the next painting/maintenance on this tank until October 2022. At that time the cleaning and painting will cost \$66,657. If there is a non-standard painting request, staff believes that it will cost about \$12,000 more.

If you have any questions or need to discuss, please let me know.

Vincent

Subject: Gifford Water Tower

Our Gifford community is interested in having the word "Gifford" painted on their water tower (SW side).

I support this request as it would enhance sense of community and preserve historical significance. The timing is propitious as a schedule of regular clean-ups is planned. Please advise.

Laura Moss
Indian River County Commissioner
