The Honorable Joseph Earman, Chairman
Indian River County
Board of County Commissioners
Commissioner, District 3
1801 27th Street
Vero Beach, FL 32960-3388

Dear Chairman Earman:

As Chairman of the Indian River Soil and Water Conservation District (IRSWCD), I would like to apologize for any oversight in not contacting you directly for assistance in finding a qualified person in your District 3 as well as District 4 that would be a candidate to serve on the Board of Supervisors.

During our monthly meeting held today, IRSWCD did select Ken Hendrix as a Supervisor for District 3.

At this juncture, the IRSWCD would like to formally request your assistance in finding a qualified person in District 4 that would be a candidate to serve on the Board of Supervisors. If you or any of the other County Commissioners know of anyone qualified to serve on our Board, we would greatly appreciate your input.

IRSWCD definitely wants to continue to have a successful partnership to serve all citizens of Indian River County, and especially those whose primary responsibility and needs are dependent on successful agricultural practices.

Thank you in advance for your time and consideration. Your assistance is greatly appreciated.

Sincerely,
