

Evaluation Criteria	Excellent 5	Adequate 3	Marginal 1	Missing 0	Score
<b>Organizational Capacity - 10 POINTS</b>					
The agency has ample experience and qualifications, capable of delivering quality services.					
The agency is financially capable/stable and has demonstrated the ability to leverage grant dollars and deliver the program with contingencies in place.					
<b>Program Description - 30 POINTS</b>					
The program clearly aligns with a funding priority and there is strong rational and significant evidence to support the need for services.					
The program description is clear and well defined with goals and objectives that are realistically achievable.					
The target population is clearly identified with services having the greatest impact.					
There is a clear strategy to respond to the need of the target population that incorporates a system of awareness and accessibility.					
The program has research-based strategies for building parent capacity.					
The program is part of a coordinated effort of other service providers without duplicating services.					
<b>Outcomes – 45 POINTS</b>					
<b>Outcome 1</b> – the activities are well planned and provide a clear, reasonable timeline in order to track performance.					
<b>Outcome 1</b> – there is a clear system for data collection to measure achievement of goals.					
<b>Outcome 1</b> – the program includes evidence-based outcomes.					
<b>Outcome 2</b> – the activities are well planned and provide a clear, reasonable timeline in order to track performance.					
<b>Outcome 2</b> – there is a clear system for data collection to measure achievement of goals.					
<b>Outcome 2</b> – the program includes evidence-based outcomes.					
<b>Outcome 3</b> – the activities are well planned and provide a clear, reasonable timeline in order to track performance.					
<b>Outcome 3</b> – there is a clear system for data collection to measure achievement of goals.					
<b>Outcome 3</b> – the program includes evidence-based outcomes.					
<b>Program Budget - 15 POINTS</b>					
The funding request is appropriate for the activities proposed and is providing for direct services.					
Cost estimates are realistic, justified and sustainable beyond the grant period.					
The budget is clearly explained and identifies other sources of funding.					
<b>OVERALL SCORE</b>					<b>/100</b>

<b>Impact Score – 3 POINTS</b>					
The program is preventative, provides early intervention, and/or is addressing a need in an underserved area geographically and/or demographically.					
<b>OVERALL SCORE</b>					<b>/103</b>
