Re: Proposed Johns Island reuse waterline under Hole-in-Wall Island

Dear Mr. Reingold,

This letter is to inform you and the Indian River County Board of County Commissioners that at our Feb. 12, 2019 Board meeting, the Board voted that they do not agree with your Feb. 11, 2019 e-mail message. In that message you wrote: "I believe that the County does have an ownership interest in the right of way over both Hole in the Wall Island and Pine Island." After reviewing various legal documents, our Board believes that the County does not possess any ownership interest in Hole in the Wall Island and that the alternate route using the CR510 causeway deserves serious consideration.

Sincerely yours,

Louis (Buck) Vocelle, Chairman
