\*double if service is available on one side only

\*\*The current rate was only for the tap. In addition to the tap, cost plus overhead was charged if lines had to be installed as well. The new rate is an all inclusive rate. This rate does not apply to areas where the services are already installed such as newer subdivisions.

\*\*\*Per County Code IRCUDS to be sole determinant of estimate of usage

\*\*\*\*Generally, this service is not offered after hours except for unique circumstances

Note: Cost plus overhead uses actual material cost, average hourly rates and a 20% mark up
