Re: Indian River County Support for Local Support Grants Program Submission

Dear Chairman Mitchell:

On behalf of the Indian River County Board of County Commissioners, I am writing this letter in support of St. Lucie County leading the process to submit for a Local Support Grant. We fully support pursuing this grant funding to assist with the design and construction of the necessary new District 19 Medical Examiner's Facility. Indian River County supports the PD&E Study for the Medical Examiner's Facility to advance planning for the construction of a new facility which will support vital services throughout District 19 including Indian River County. We have planned to include funding for our portion of a 50% match for the \$1 million request in our fiscal year 2022/23budget.

Sincerely,

Peter D. O'Bryan
Chairman
