

**INDIAN RIVER COUNTY
BOARD OF COUNTY COMMISSIONERS**

INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: March 29, 2017

SUBJECT: Affirmatively Further Fair Housing Rule

FROM: Commissioner Bob Solari

The local Zoning Decisions Protection Act of 2017 has been filed in both the House of Representatives (H. R. 482) and the Senate (S. 103). This federal legislation would nullify the 2015 Affirmatively Further Fair Housing Rule.

I am hoping that the BCC would consider requesting the County Attorney to draft a resolution in support of this proposed legislation.

Thank you.
