

Recycle for **FREE** in IRC!

Waste Management wants to help balance your environmental goals with your budgetary ones, which is why we are launching **Recycle for FREE in IRC!** for unincorporated Indian River County and City of Fellsmere commercial customers.

Single Stream Recycling: The smart, simple way to do what's right for the environment. It eliminates the need to sort materials; all acceptable paper, plastic, metal go into a single container.

**It's easy to sign up and the benefits are good for your business and the environment!
Here's all you need to do and know:**

1. Sign up for annual service between July 1 – July 31, 2017 and receive the months of September, October and November free. Your recycling service starts September 1.
2. Select a 2, 4, 6, or 8 yard container and service frequency that best meets your recycling needs.
3. Track your recycling efficiency and potential savings.
4. After the promotion, a Waste Management Account Manager will “right size” your garbage container or service level to ensure you are receiving the most cost effective solution for your garbage and recycling service.

**Hurry! Promotion is limited to the first 100 new commercial customers, so contact us today at (772) 569-1776 to set up your recycling service!
Don't miss out on this great recycling promotion!**
