The above price(s) are delivered prices and include all applicable taxes and are based on the AAA average diesel fuel rate as of the date of this proposal for the state in which the work is to be performed available at www.gasprices.aaa.com. A fuel surcharge may be applicable if the price of diesel fuel increases from the date of the proposal to the date(s) the work is performed, and, in such an instance, Siboney and CK Contractors & Development, LLC, "Customer" shall use best efforts to mutually agree on any applicable fuel surcharges. If Siboney and Customer are unable to agree on a fuel surcharge amount, Siboney or Customer may terminate this proposal without liability to either party. Unless otherwise noted on this proposal, the above unit price(s) are based on a minimum of 9.50 hours per day. Delivered materials may be subject to unavailability due to shortages or price increases from material suppliers, and in such an instance, Siboney and Customer shall use best efforts to agree on a remedy. If Siboney and Customer are unable to reach a mutually agreeable remedy, then either party may terminate this proposal and stop any further work without liability to either party. As a condition precedent to Siboney performing any work, Customer must provide Siboney with all Notice to Owner information including any and all applicable payment bonds and applicable contract reference numbers for the project for which the work is to be provided. A copy of a recorded Notice of Commencement shall suffice in lieu of Notice to Owner information. Customer must have truck dispatch to a Siboney representative by no later than 3:30 p.m. the day before any work is to be performed. Customer must ensure safe and adequate loading equipment at the pit/quarry/material source, ensure that trucks are loaded in a safe and timely manner, within legal weight limits, and maintain safe and adequate on-site haul roads to facilitate the dumping of materials at the delivery site. Siboney shall invoice Customer weekly, and Customer agrees to pay Siboney within thirty (30) days from the date of invoice. In the event that Customer's account becomes past due, Siboney reserves the right, in its sole discretion, to (1) stop all work until all payments (including any applicable late fees and interest) have been paid, or (2) terminate any and all of its obligations under this proposal and perform no further work without any liability to Customer. Customer agrees to pay interest on all past due balances at the rate of 1.5% per month until paid and agrees to pay all of Siboney's collection costs incurred to recover any past due balance(s) including, but not limited to, reasonable attorney's fees. Receipt of the material(s) by Customer and Customer's signature on delivery tickets shall be deemed as Customer's approval and acceptance of the material(s), and no credits or adjustments will be made after the tickets are signed by Customer. Siboney's liability on any claim for loss or damage arising out of the work performed shall not exceed the price of the work actually performed by Siboney for Customer with regard to which such claim for loss or damage is made. In light of the COVID-19 pandemic, Siboney, in its sole discretion, reserves the right to suspend or terminate any work to be performed pursuant to this proposal due to any public health/safety issues, or any labor shortages resulting therefrom. This proposal constitutes the sole and entire agreement between the parties with regard to the subject matter hereof and supersedes any and all prior or contemporaneous oral or written agreements between the parties regarding same. No work pursuant to this proposal shall be made until Customer returns a signed copy of this proposal.
