Dear Jason,

This week, IAFF Local 2201 conducted ratification voting regarding the tentatively agreed to language revision in Article 26.12 of the current Collective Bargaining Agreement. This language relates to light duty for pregnancy.

We are happy to inform you that our membership has ratified this language change.

We look forward to seeing the Board of County Commissioners ratify this change. We would also like to thank the County Administration, the Board of County Commissioners, and the Fire Rescue Administration for making this change happen. It's a positive step for the female members of our department.

Sincerely,

Kevin Delashmutt, Vice President  
On behalf of  
John O'Connor, President
