Subject: United Way Pickleball Tournament License Agreement

BACKGROUND:

United Way of Indian River County (UWIRC) is a non-profit organization that has been serving Indian River County since 1961. UWIRC partners with health and human service agencies, businesses, community leaders, and public and private sector entities across the community to create action plans that address and work toward solving the critical needs affecting Indian River County's population. On January 23, 2023, The Board of County Commissioners (BOCC) approved a License Agreement to allow the UWIRC to host a Pickleball Tournament at Dick Bird (South County) Park on March 15th and 16th 2024. The tournament was scaled back from two days to only one due to lower-than-expected registration numbers but was considered a success nonetheless. 72 players participated in a mixed, round robin style tournament and \$5,000 were raised to further their mission of supporting health, education and financial stability in our community.

DESCRIPTION AND CONDITIONS:

Due to the success of the last tournament, UWIRC is once again interested in hosting a pickleball tournament at Dick Bird (South County) Park on March 15, 2025. The attached License Agreement represents the cost and all other required stipulations to host the event on County property.

FUNDING:

No funding is required as a result of this License Agreement.

RECOMMENDATION:

Staff respectfully requests that the Board of County Commissioners approve the License Agreement with United Way of Indian River County Inc. and authorize the Chairman to execute the agreement after review and approval for legal sufficiency by the County Attorney.
