Another email chain evidencing cancellation of all 2020 shows due to the Covid shutdown. This is evidence that my business losses were due to the COVID shutdown. Please discard your false belief, and look at the evidence. Thanks.

Hi Celeste, I'm sorry but unfortunately we are still not allowing visitors into the building at the moment. If possible, I would like to reschedule once when we are given the okay to. Thank you for understanding. Stay healthy and see you soon.

That is fine. I have you on February 5 @ 2:30pm as well. We can just skip January if you are scheduled on the 14th.

OK, I will work with your \$60 budget. I booked another show for Jan. 14, because I had not yet received your confirmation of the date. I am working to resolve the conflict. Thanks.

I had already printed out the calendar for January and had you on for January 14 @ 2:30. Later than that time will not work for us. Budget has been \$60. I only had approval for \$75 on Christmas day because of the holiday.

OK, I can do 2:30-3:30 on every date except Jan 14. I can do anything 4 pm or later on Jan 14 or I can do 2:30-3:30 on Jan. 3, 24, or 31 or another day in Jan. Please let me know what works best for you.

What is your budget? Is \$75 OK? Thanks.
