It is respectfully requested that the information contained herein be given formal consideration by the District Board of Commissioners at the next scheduled meeting.

DESCRIPTIONS AND CONDITIONS

On September 12, 2017, the Board declared Stryker as the sole source vendor for Stretchers. Staff is preparing to replace four (4) Stryker stretchers that have reached their end of life with Stryker Power-Pro XT Stretchers. Staff has obtained price quotes for the proposed replacement of four (4) stretchers that are currently assigned to ambulances, which includes a trade in discount of four (4) older units. Staff recommends that the Board of County Commissioners declare asset numbers 25458, 25459, 25462, and 25457 as surplus and authorize their trade in for an \$8,000.00 discount on the purchase of the new stretchers. These replacement units are in the FY 2017/2018 Approved Budget. This is the 2nd year in a 4 year replacement program to ensure that fiscal responsibility is obtained throughout the process.
