**INDIAN RIVER COUNTY  
BOARD OF COUNTY COMMISSIONERS**

**INTER-OFFICE MEMORANDUM**

---

TO: Members of the Board of County Commissioners

DATE: June 10, 2019

SUBJECT: Reducing young adult access to tobacco products and other nicotine-delivery devices

FROM: Tim Zorc  
Commissioner, District 3 

---

**Discussion Item:**

I'd like to discuss directing the county attorney to collect information from other Florida communities for a new draft ordinance for the Board's review and consideration, one aimed at reducing young adult access to tobacco products and other nicotine-delivery devices ("vaping"). The proposed ordinance could include references to tobacco retailer licensing.

The topic would also be a candidate for addition to Indian River County's legislative priority list.
