Celebration of the Hands

This year marks Indian River County's debut in the Celebration of Hands. Join us for Hands Day, an annual celebration where children, youth, teachers, and families craft unique hand artwork throughout the month, proudly displayed in the State Capitol. These creations daily remind legislators and visitors that the future of our children is #InOurHands.

TUE

Storybook Village

For the first time ever, Indian River County is joining the enchanting world of Storybook Village, following in the footsteps of the State of Florida. Throughout our county, books come to life with celebrity readers, song, dance, and hands-on activities. Be part of this inaugural journey as we create our very own Storybook Village, inspired by the magic unfolding across the State of Florida.

WED

2/28

Teen Day

This year marks Indian River County's debut in Teen Day. To amplify the voices of our young adults, we're launching an online survey. Your insights will provide invaluable information about the hopes and dreams of our youth, shedding light on opportunities for growth and areas where additional support may be needed. Join us in this exciting endeavor to better understand and empower our teen community.

THU

2/29

Thoughtful Thursday

For the first time, Indian River County is part of Thoughtful Thursday. Join us virtually via Zoom for this special event, bringing attendees from across the state together. Explore insightful and engaging webinars hosted by our esteemed Children's Week Florida™ Partners and advocates. Don't miss this unique opportunity to connect and learn!

FRI
