

INDIAN RIVER COUNTY
SOLID WASTE DISPOSAL DISTRICT
BOARD MEMORANDUM

Date: December, 11 2017
To: Jason E. Brown, County Administrator
From: Vincent Burke, P.E., Director of Utility Services
Thru: Himanshu H. Mehta, P.E., Managing Director, Solid Waste Disposal District (SWDD)
Prepared By: Stephanie C. Fonvielle, Recycling Education and Marketing Coordinator, SWDD
Subject: Conveyance of Materials to the School District of Indian River County

The Indian River County Solid Waste Disposal District (SWDD) received two monetary grants on behalf of the School District of Indian River County (SDIRC) in order to purchase recycling containers and tools for the SDIRC's Recycling Pilot Program. The goal of the Pilot Program is to encourage recycling among students and promote a culture of sustainability at our local schools.

Using the grant funds, SWDD has purchased buckets with strainers, recycling bins of various sizes, dollies to help move the larger bins, and recycling carts. These materials represent a total value of \$6,975.71 and will be donated to the SDIRC for their use in classrooms, offices, hallways, cafeterias, and outdoor areas. SWDD has an additional \$524.29 of grant funds (for a total donation value of \$7,500.00) that will be used to purchase additional educational materials and promotional items on an as-needed basis once the Pilot Program begins in January 2018. The transfer of this donation, under section 125.38, Florida Statutes, requires the SWDD Board to adopt a resolution to approve the donation to the SDIRC.

RECOMMENDATION:

Staff recommends the Solid Waste Disposal District Board adopt and authorize the Chairman to sign the resolution to approve the conveyance of recycling materials for the recycling pilot program to the School District of Indian River County.
