Mr. John King  
Director, Department of Emergency Services  
Indian River County EMS Office  
4225 43rd Avenue  
Vero Beach, Florida 32967

Dear Mr. King:

John's Island Club cordially invites you and your Indian River County staff to the 24th complimentary "Public Safety Day" golf outing on Sunday, October 15, 2017. The event consists of an 18-hole scramble tournament on our North or South golf course, followed by lunch at the Golf clubhouse. Because of the event's enormous popularity, we respectfully request that you limit participation to actual employees within your Indian River County Public Safety organization (i.e., no spouses or guests).

Please email or call the John's Island Club Golf Shop at [golf@johnsislandclub.org](mailto:golf@johnsislandclub.org) or 231-8615 as soon as possible with the names of all those in your organization who want to participate, so we may plan accordingly. If you have specific pairing requests, please note them while registering. All other players will be randomly paired.

The golf outing is a shotgun start at 9:00 a.m., so please remind all participants to be at the Golf clubhouse no later than 8:30 a.m. Additionally, your help in making your staff aware of the enclosed guidelines regarding golf course dress code, use of the golf carts, care of the course, and pace of play is greatly appreciated.

Sincerely,

Brian R. Kroh  
General Manager
