

**INDIAN RIVER COUNTY
OFFICE OF MANAGEMENT AND BUDGET
PURCHASING DIVISION**

DATE: February 16, 2018

TO: Board of County Commissioners

THROUGH: Jason E. Brown, County Administrator
Michael Smykowski, Budget Director

FROM: Jennifer Hyde, Purchasing Manager

SUBJECT: Participating Addendum to NASPO Contract OK-SW-300 for AEDs and Accessories

BACKGROUND:

On January 20, 2015, The Board approved the execution of a Participating Addendum (PA), enabling Indian River County to be a Participating Entity in the National Association of State Purchasing Officials (NASPO) Contract (#300) for Automated External Defibrillators (AEDs). The county had been utilizing that contract under the State of Florida's Participating Addendum, but the State withdrew its PA after awarding its own contract. The Fire Rescue Division utilizes this contract to obtain Physio-Control AED units and accessories, which are not included in the State of Florida AED contract.

The contract under which the PA was executed has expired and NASPO has awarded a new Contract (SW300) to four vendors, including Physio-Control, effective through October 4, 2018, with four additional one-year extensions available. To continue using the NASPO contract, a PA for the new Contract must be executed.

FUNDING:

No funding is required for the execution of this addendum. Funding for the AEDs and accessories will come from the Emergency Services District – Fire Rescue – Other Machinery and Equipment Account (11412022-066490).

RECOMMENDATION:

Staff recommends that the Board of County Commissioners approve the Participating Addendum to NASPO Contract SW300 and authorize the Chairman to execute it after the County Attorney has approved it as to content and legal sufficiency.
