# SATURDAY APRIL 14, 2018

## 10 AM - 4 PM iG Center

IRC Intergenerational Recreation Center | 1590 Oslo Rd, Vero Beach, FL 32962

STEAM Fest is about innovation, imagination and having K-12 students & their families explore these critical areas in a fun, exciting and informal way. Be a part of creating an event that brings hands-on experiences to Indian River County.

Help us *inspire* children to **dream** big and to pursue their education and future career opportunities in STEAM.

Dear Prospective STEAM Partner,

In recent years, the concept of STEAM has gained popularity in the world of education. According to the National Science Foundation, “To succeed in this new information-based and highly technological society, students need to develop their capabilities in STEM to levels much beyond what was considered acceptable in the past.” STEAM builds upon the concept of STEM by emphasizing the integral role of the arts and creativity in this learning process. Specifically, STEAM provides value by exposing youth to Science, Technology, Engineering, Art, and Math.

Indian River STEAM Fest will take place on Saturday, April 14, 2018, and offers a day filled with interactive, hands-on exhibits, allowing local K-12 students and their families the chance to explore and create. Help spark children’s imaginations and give them a peek into many future career opportunities right here in Central Florida.

As a business, corporation, or individual that understands the value of bringing these opportunities to the hands of young students, you are invited to participate in this one-of-a-kind, local event by serving as a sponsor, exhibitor, donor, or even speaker.

Vero Beach Academy is proudly organizing this annual event that will impact hundreds of children right here in Indian River County. Our committee sincerely looks forward to partnering with you.

Sincerely,

Kelly J. Brown  
Sponsorship Chair
