** If our appointee cannot attend, then a Councilmember from Fellsmere must be called on to attend as Orchid's alternate.

*** The Town is a non-voting member of this committee, but is able to weigh in with comments and questions at the dais.

If a Councilmember is unavailable, he/she should promptly alert the Town Clerk, so that the alternate can be notified (especially if the alternate is a member from Fellsmere). Although the Town Manager or Town Clerk can attend meetings when the Councilmember and their Alternate are unavailable, these substitutes are not permitted to vote – only appointees and alternates may vote. A member of Town staff may not be the appointee or alternate on the first five committees.
