

**INDIAN RIVER COUNTY, FLORIDA
MEMORANDUM**

TO: Jason E. Brown, County Administrator
FROM: Richard B. Szpyrka, P.E., Public Works Director
SUBJECT: Request for Purchase Order Increase for Stabilized Material
DATE: June 25, 2018

DESCRIPTION AND CONDITIONS

Road and Bridge staff have been aggressively adding stabilized material to the 226 miles of unpaved roadways within the County. The addition of material to the roadways is necessary to increase the stability of the unpaved roadways to withstand repeated use and unfavorable weather conditions.

Currently, the County has a Purchase Order in the amount of \$50,000 with Bernard Egan & Company for stabilized material from their Blue Goose Mine. We have reached the \$50,000 threshold with this Purchase Order and we are requesting Board approval to increase this Purchase Order to \$80,000 to continue acquiring material to place on our unpaved roadway system.

FUNDING

Funding in the amount of \$30,000 is available in Secondary Roads Construction/Paving Material - 10921441- 035310.

RECOMMENDATION

Staff recommends the Board approve increasing the Purchase Order 79164 with Bernard Egan & Company by \$30,000 for a total of \$80,000 for the purchase of stabilized material.
