RE: School Recreational Facilities

Dear Chair Barenborg,

As chair of the Indian River County Board of County Commissioners, I want to say that the Board is excited to enter into the Agreement for Use of Facilities with the School Board of Indian River County. This is an excellent way to partner together in providing recreational facilities for the taxpayers of Indian River County.

I would like to also express the Board's support of opening up school recreational facilities to the public after school and during weekends. We understand that there may be security issues to be resolved, but we believe that making additional green space accessible will enhance the recreational opportunities for the community.

We appreciate your consideration of this request.

Sincerely,

Peter D. O'Bryan
Chair,
Indian River County Board of County Commissioners
