

INDIAN RIVER COUNTY  
BOARD OF COUNTY COMMISSIONERS

INTER-OFFICE MEMORANDUM

---

TO: Members of the Board of County Commissioners

DATE: February 8, 2017

SUBJECT: Naming of Gifford Park Ball Fields

FROM: Commissioner Bob Solari

---

A citizen of Gifford approached me during the last political season suggesting the County name the Gifford football field after two gentlemen, William H. "Chicken Shack" Wilson, Jr. and Scott Chisholm. The two men have a lifetime of helping the youth of our community primarily in the field of athletics. They exemplify service to our community, good sportsmanship and the need to work together to build a united community.

Thank you.
