Yes. Please delete the Class D COPCN application. It was placed there in error.
Just confirming this won't delay us being on the July 2nd agenda; correct?

Thank you for bringing this to our attention!!!

Subject: Class D COPCN

Good afternoon Brooke,

Per our conversation regarding the Class "D" COPCN and the limitations to only being able to transport outside the County thus limiting your transport capabilities you may want to reconsider not requesting a Class "D" COPCN.

If you would like to rescind your request for the Class "D" COPCN please respond to this email and advise what you would like to do.

Thanks

Respectfully,

Steve Greer, Assistant Fire Chief of EMS
