SUBJECT: **Post Hurricane Matthew Emergency Dune Restoration Projects –
County Beach Parks
Full Release of Retainage – Guettler Brothers Construction, LLC.**

DATE: March 22, 2017

DESCRIPTION AND CONDITIONS

On December 6, 2016, Indian River County contracted with Guettler Brothers Construction, LLC. (Guettler) for construction services in connection with Post Hurricane Matthew Emergency Dune Restoration Projects along a number of County maintained beach parks. All work is 100% completed. Note: As a result of natural recovery of sand to the dunes not all the contacted sand was required to construct the emergency dune repair projects. As such, the original contract amount of \$217,450 was reduced by \$9,307.35 to account for 432.90 cubic yards (CY) of sand, at a rate of \$21.50/CY, not needed for the project. Therefore, the final contact amount was \$208,142.65. To date, the County is withholding 5% or \$10,407.13 of the \$208,142.65 contact amount.

Guettler has submitted a final invoice (Application for Payment No. 2) requesting the release of withheld retainage in the amount of \$10,407.13.

Pursuant to the construction contract, Guettler has also submitted a Final Certification notifying the County that all liens of all firms and individuals contracting directly with or directly employed by Guettler have been paid in full.

FUNDING

Local funding of Beach Restoration includes a portion of Local Option Tourist Tax Revenue as well as allocation of the One Cent Sales Tax. Funding for the release of retainage is from Account No. 128-206001-17001.
