RE: Request for Release of an Easement Located at 3156 62nd Court

---

It is requested that the Board of County Commissioners formally consider the following information at its regular meeting of September 13, 2022.

**DESCRIPTION AND CONDITIONS**

The County has been petitioned by Douglas H. Dean & Michelle L. Dean, owners of a lot at 3156 62nd Court, for release of a drainage and utility easement. The purpose of the easement release request is for the construction of a new single-family residence (see attached maps).

**ANALYSIS**

The request has been reviewed by AT&T; Florida Power & Light Corporation; Comcast Cable Services; the Indian River County Utilities Department; the County Road & Bridge and Engineering Divisions; and the County Surveyor. None of the utility providers or reviewing agencies expressed an objection to the requested release of easement. Therefore, it is staff's position that the requested easement release would have no adverse impact to drainage or to utilities being supplied to the subject property or to other properties.

**RECOMMENDATION**

Staff recommends that the Board, through adoption of the proposed resolution, approve release of the drainage and utility easement described in the proposed resolution.
