ITEM 14.E.1

INDIAN RIVER COUNTY
BOARD OF COUNTY COMMISSIONERS

INTER-OFFICE MEMORANDUM

TO: Members of the Board of County Commissioners

DATE: July 11, 2017

SUBJECT: Alliance Bioenergy Post Process Yard Waste

FROM: Tim Zorc
Commissioner, District 3

Discussion Item:

On February 7, 2017, the Board of County Commissioners exercised an option proposed by Alliance Bioenergy for post process yard waste. Alliance Bioenergy is continuing with obtaining the former INEOS site and requires a 90-day extension. There is no fee or charge associated with the yard waste and the County will not guarantee the quality or quantity of the post process yard waste. Finally, the County will keep a percentage of the yard waste.

I would like the Board to consider approving the continuation of the option.
