SUBJECT: Board Approval for Adopt-A-Roadway and Adopt-A-Stormwater Park Programs

The County has administered an Adopt-A-Road program since 1993. Various civic groups, churches, educational organizations and homeowner's associations are currently part of or have been part of this program to pick up litter along collector and arterial roadways within the County. The estimated total cost per group is \$350.00. Currently there are approximately 30 roadway locations adopted.

Recently, Public Works staff was approach about adopting the Osprey Acres Stormwater Park to perform litter removal to keep the park clean and three other organizations have expressed interest in adopting a roadway.

Staff is requesting that the Board reaffirm the Adopt-A-Roadway program, authorize the inclusion of an Adopt-A-Stormwater Park as part of the program, and to reaffirm the authorization of the Public Works Director to enter into agreements, on the Boards behalf, with interested individuals and organizations for Adopt-A-Road and/or Adopt-A-Stormwater programs.
