SUBJECT: Request for Authorization for Chairman to execute Two (2) Resolutions in Support of FDOT to Manage, Construct, and Deliver a Two-Lane Roadway on 82nd Avenue, 26th Street – CR 510

It is requested that the information herein presented be given formal consideration by the Board of County Commissioners at its regular meeting of September 19, 2017.

DESCRIPTION & CONDITIONS

Recently, the Florida Department of Transportation (FDOT) made a change to its procedures for constructing projects within local jurisdictions. That change is to require the execution of a Resolution of Support for each project by the appropriate local government early in the project development process. Since FDOT has begun preliminary design and engineering work on a number of MPO Priority Projects on County roadways, FDOT is now requesting that the Board of County Commissioners adopt a Resolution of Support for each project.

The MPO has, in recent years, identified a number of projects, including CR 510, the Oslo Road Interchange, and Oslo Road as higher roadway priorities than 82nd Avenue. Nonetheless, FDOT will proceed with the development of 82nd Avenue as a secondary priority and seeks a restatement of County commitment to the project by way of the attached resolutions. For administrative and funding purposes, FDOT has broken the project into two separate segments. Therefore, two resolutions are requested at this time. One of the two resolutions supports 82nd Avenue from 26th Street to 69th Street (Attachment 1) and the second resolution supports the project from 69th Street to CR 510 (Attachment 2).

The resolutions have been reviewed by the Community Development Department, Public Works Department, and the County Attorney's Office and found acceptable.

RECOMMENDATION

Staff recommends that the Board of County Commissioners authorize the Chairman to execute the attached Resolutions of Support for the Florida Department of Transportation to manage, construct, and deliver a two-lane roadway on 82nd Avenue, 26th Street – 69th Street and 69th Street – CR 510.

FUNDING

No County funding is required.
